

	Done this week		Issues this week
	Started Scheduling & Estimation		Missed Sunday meeting due to spring break
	Requirement updates from sponsor feedback		A good chunk of meeting time was spent on project reporting as opposed to project pro
	Generated user stories		
	Midterm Review		
	Planned for next week		Things needed
	Start code design		Response Email from google
	Continue scheduling and estimation		
	Document happy path through the code
