

SISCALENDAR

SIS.io

Michael Caputo
Zach Masiello
Ethan Mick
Shawn Thompson

SPONSOR

- ITS Enterprise Web Apps Team
 - Kim Sowers
 - Rick Myles
 - Xiuli Gong
 - Lisa Hupf

THE PROBLEM

- New Student Information System (SIS)
- Students could not download their classes
- No integration with RIT Maps to find class locations

THE SOLUTION

- Satellite service to provide the functionality
- Uses SIS Gateway
- Struts 2

DEMO

CURRENT STATUS

- 252 Unique Visitors

- 565 Pageviews

- 150 Imports/Downloads
