👋 Want to learn more about accessibility?

**Open Hours:** Thurs. March 28, 2019 @ 1-3PM

Get feedback on course assignments or personal projects from experienced mentors who use accessible technologies. No appointments are necessary.

- **Design ideation:** How can X technology be more accessible?
- **Competitive analysis:** What alternate apps can accomplish this task?
- **Research plan review:** Will my interview questions translate well into American Sign Language?

Please contact Paula Conn, pxg5962@rit.edu, with any questions. This event is part of an initiative by the Center for Accessibility and Inclusion Research, led by professors Matt Huenerfauth and Kristen Shinohara.
