

Next week: Bring back differences between unity and unity pro

- differences between two licences
- distribution rights

Agenda next week

- go over unity versus unity pro
- go over selected story points with joe

Vallino mentioned to keep Joe updated with stories as we flesh them out

Question asked

What are the requirements for Student Tracking?

- Account Signup? “not necessarily tied to an account”
- Open or closed? closed
- What do we need to track?
 - define this later
- Need a server for this that clients will post usage to
