Key:	Week	Defect Count		Specific Defects					
Resolved	9/1/2014	0							
In Progress	9/11/2014	3		Email/phone number should not be required	Confirmation for "Reset registration form" button	"Cell phone number" → SHOW the format in the placeholder			
Defect	9/18/2014	3		require a phone number	Waiver: may need paper copies; still in decision	Can only register in NY			
	9/25/2014	5		Phone numbers don't have the dashes when editing/viewing on confirmation pa	Birthday date not in readable form in confirmation page	Upload picture on tablet to pull up camera	Still need to implement ranks	Multiple email addresses	
	10/2/2014	5		Signature pad small on live site	Students view page extra space on icons	Calculated Age not shown	Back button error	Phone number not formatted when first shown in edit	
	10/9/2014	2		Check-in isn't always centered in the window	Ranks Spacing on down arrow for order (shouldn't be touching number)				
	10/16/2014	1		Fix the bugs on the live server					
	10/23/2014	3		Checkin: Styling on name of program	Fix installer to correctly locate MongoDB	Student filtering: Filter by ‘d at a time like on wireframe			
	10/30/2014	6		Checkin: Filter by rank not yet implemented	Breadcrumbs to be implemented	Can't filter by all last name once a filter is selected	Way to view students who haven't checked in for ‘a whil	Checkin User can only check in, can't register new studen	checkin screen goes back to program selection even if there's only ever one class checking in at a time
	11/6/2014	3		Database does not include proper user account information	In current installer, can only check-in for workshops	Default new students to lowest rank			
	11/13/2014	1		One way messages: Message shows for 15 secs or until dismissed					
	11/20/2014	3		Picture is squished	can't tell which tile is selected (ipad only error)	One email is required as opposed to optional			
	11/24/2014	1		One email address should be required					
	12/1/2014	1		Only shows input field when inputting text
