

Actions to be Taken

Team

- Send check-in hardware options sheet to Paul
- Do some research on PhoneGap version 3.4 versus 3.5 (and barcode scanner compatibility; is “official plugin” compatible?)

Meeting Notes

Discussion of check-in options.

- Team's top 3 picks:
 1. QR
 2. Manual input
 3. Image selection
- Need to do a bit of research regarding PhoneGap and barcode scanner plugin(s) compatibility

Updated flowchart

- Workshops separate from Programs/Classes
- Redo emergency contact workflow
- Elaborate on criteria
- Replaced Delete options with Remove

Updated Wireframes

- Programs
- Workshops
- Payments
- Reporting
- Attendance

Open Questions

What do you want to see on the attendance page?
